Message from the Desk of Secretary:

I am extremely happy to share that the Village Welfare Society completed the glorious journey of 45 Years, and we are publishing our Annual Report of 2022-23. We achieve some great learning experience in last four decades. It was significant with the project's initiation and its successful completion has brought about meaningful impacts in our society. It was in association with our donors, community people, stakeholders, and partners, with widened strengthening of our position over various sources of funds enable to carry out and extend our activities rebuilding human resources has resulted an expanded outreach.

We are always prioritizing our focus on skill development, entrepreneurship, livelihoods, and education in one hand and health-hygiene, safe drinking water, organic farming, leadership development these are also the prior parts of Village Welfare Society. To bring about significant change in every effort and strengthening our endeavour in skill development as successful training centre, we must move forward a long journey yet with the other remaining efforts. Our special gratitude to the members of Lions Club, Kolkata Regency, and the trustees of Thandulal Manorma Devi Foundation and to Mr. Sunil Shah, FCA.

We sincerely would take privilege to express our warm gratitude to all our friends, well-wishers, supporters, community peoples, supporting agencies, government officials, various govt. depts, central and local bodies of Panchayats and Municipalities, corporate and private sectors for their vigorous contribution, active participation, commendable cooperation since last four decades.

However, the main credit goes to our sincere and committed volunteers for their hard work, sincerity, and dedication. We are fortunate that our experienced employees and new recruiters have blended in so well that contributed it as one of the India's leading Non-Government Organisation (NGO). We cordially invite more members to take active part to achieve our mission in a sustainable way in future

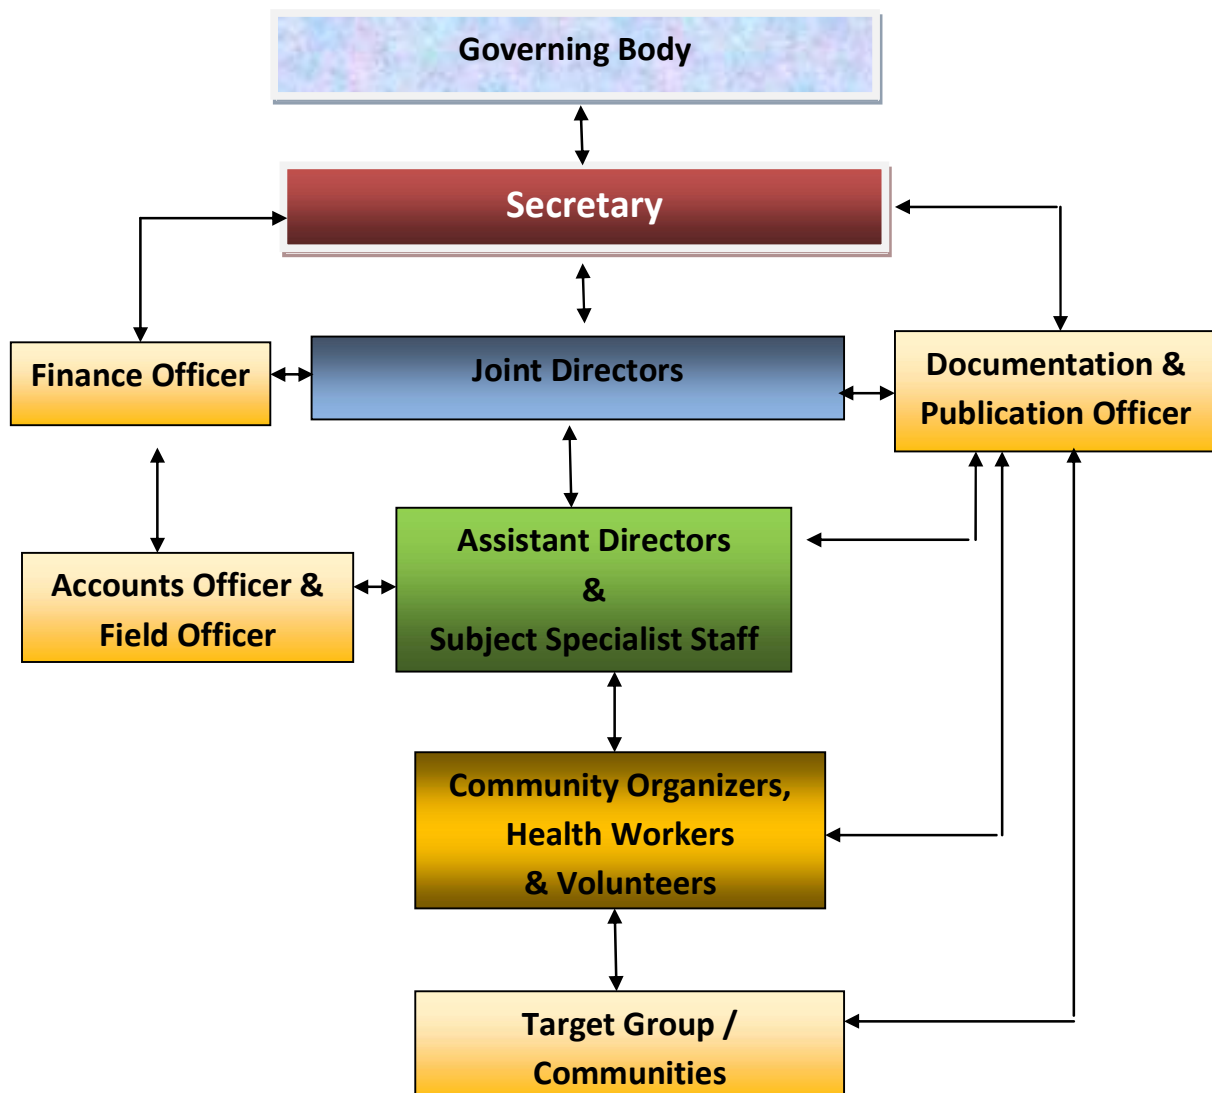

Thanking You All!

With Best Regards

Mr. Ajit Maity

Secretary

Village Welfare Society

**Organogram:**

Ongoing Programme and Activity Details:

- **Integrated Programme for Older Persons:**

VWS has been working with aged women members since the year 1993. Integrated Programme for Older Persons is an important programme of VWS.

This old age home is located at Pancharul, Udaynarayanpur, Howrah partly sponsored by Ministry of Social Justice and Empowerment, Govt. of India under the scheme of Integrated Programme of Older Persons (IPOP) and it is partly by the VWS own.

It accommodates 50 destitute, neglected and helpless women –widows of different districts are given service free of cost, having no one to look after.

VWS has been working with aged women members since the year 1993 with an integrated approach for their better life providing basic facilities along with other services of regular health check-up, recreation like songs, yoga, games, reading of newspapers, exposure visit etc, through an old age home.

Name of the Programme	Location	No. of Beneficiaries
OLD Age Home (OAH) for Women	Pancharul, Howrah	50 Women
Mobile Medicare Unit (MMU) for Older Persons	Pancharul, Howrah	785 People

- **Skill Development of the Youths and Creation of Employability:**

Village Welfare Society (VWS) is taking some appreciable initiative to provide skill-based training to the needy beneficiaries. The candidates got the opportunity to learn the skill-based training of beauty adviser courses under beauty and wellness sector.

Basically, the minority women are getting these opportunities to learn the new expertise and to achieve the certificates and as well as they are getting chances to achieve the knowledge which will help them to earn in future.

Youth unemployability is a very crucial problem for society and due to lack of technical professional knowledge they cannot access the technical opportunities. These kinds of skill development programmes are always an additional advantage for each, and every youth learn.

- **Education:**

Education is also an important thematic working part of the organisation. As per the basic child rights all children should get elementary education, but unfortunately due to poverty and less accessibility of opportunity there are many children who are deprived to get the elementary education in our surroundings. Most of that under privileged children working as child labour. So VWS is taking an important role here to eradicate the child labour system. Village Welfare Society is initiating a school effort at the primary level in Howrah district. The pre-primary and primary education is very much needed for every child for their proper cognitive development at per age. Consequently, VWS believes that we should teach individual children and be respectful of and account for their individual uniqueness of age, gender, culture, background. All children should get the opportunity to learn from an accessible inclusive environment to enhance their learning and basic cognitive skill at primary level. VWS is creating an opportunity where distressed children can get the admission at primary level with an optimum admission fee. The organisation also celebrates the CRC week as the part of this activity.

RogiSahayata Kendra:

This initiative is implementing at the premises of Satyabala ID Hospital at Ghusuri, Howrah and run by the Village Welfare Society (VWS) with the support from District Health and Family Welfare Samity (DHFWS). This is another important initiative of the organisation to work with the needy population. RogiSahayata Kendra and the objective are to provide diverse information and require service to the patients and family members and to the needy peoples. In the year 2022-2023 we have around 1534 indoor patients, Emergency Patient 1002 and outdoor patient around 5102.

Other Year Wise Activities of the Organisation:

Name of the Programme: Children Day

Implemented By: Village Welfare Society

Implementing Place: Rajabagan Slum Area (Near Tantipara Bus Stop)

This children's day initiative is being organized by the VILLAGE WELFARE SOCIETY (VWS) and finally implemented as per the scheduled date on 14th November of 2022 (MONDAY). We all know the children day is being celebrated on 14th November and universally the same is celebrated on 20th November. On the same context the Village Welfare Society planned for this initiative.

Objective of the Programme:

- To provide some necessary educational kit to those distressed children who have to face the financial problem, social challenges to continue their study and right to education.
- Right to Education is one of the basic rights of children but many of the children unfortunately did not get the right

from neither society nor from their family. So, VWS is trying to initially provide this nominal education kit to all of them and then will initiate the process to mainstream them in formal education sector in near future as the part of long-term objective.

Expected Out Come:

- This opportunity will create a future perspective to work directly with these absolute needy children for their better future and they will be aware regarding their basic child rights through the child rights orientation sessions provided by us.
- Apart from implementing solo we tried to make a joint collaboration with more organisations and individuals who ever was willing to be a part of this initiative and this big umbrella may work together in near future as a collaborative way to eradicate and eliminate some social problems and specially will work regarding the Right to Education objective.
- Children will learn in joyful way and they will be sensitized regarding child rights as well as regarding the mainstreaming formal education.

Successful Collaboration With:

- Pahchan Foundation
- Apollo Vridith care
- One Step for Humanity
- Lions Club of Calcutta North Femina

Education Kit Bag Content:

- Pencil Box with kits (Pen, Pencil, Eraser, Sharpener)
- Small Exercise Book
- School Bag
- Hand Sanitizer
- Face Mask
- Dry Food Packets

Number of Beneficiaries Covered:

Though initially we planned for 250 distressed children but at the end with the help of this collaborative approach the entire team was capable to give the products to 300 children of the same area. Thus, we are planning to reunite all the positive minded individuals and groups to bring the effective change in our surroundings and in society.
